

The equipment listed in this section 'CURRENT' means that it meets DVSA specification and is supported by the equipment manufacturer. New site applications and replacing existing equipment can be selected from this list ONLY.										
The equipment listed in this section 'RESTRICTED' means that it may no longer meet the DVSA specification and / or may no longer be supported by the equipment manufacturer. Note: Providing that this equipment is in good working order, is calibrated and meets the latest software requirements, it can continue to be used in existing MOT stations.
